Member of Parliament / Député
Saskatoon West / Saskatoon-Ouest

Saskatoon, SK
April 8, 2021

Dear Friends,

Best tidings for **Global Meetings Industry Day**. As Member of Parliament for Saskatoon West, I wish you the best for 2021 and I know that when you say “*We’re Ready*” – you mean it!

COVID-19 has hit Saskatoon West tourism and the overall economy hard. Many of us saw friends, fellow business owners and employees lose their jobs. Some of us had a family member that fell sick or passed away.

I am proud that the people and businesses of Saskatoon have risen to the challenge of COVID-19. We have ridden wave after wave of lockdowns, and we now see a light with vaccinations rippling their way to re-open our economy. Canadians will soon be traveling to escape the isolation of the past year. It is up to you to ensure that you are indeed ready for this tourist wave. Hopefully, it’s a tsunami of economic growth.

I will stand behind you as your representative in Ottawa ready to assist when needed. Best wishes!!!

Sincerely,

Brad Redekopp
