### Message from the Mayor of Charlottetown

On behalf of myself and Council, I am pleased to welcome all those attending Global Meetings Industry Day, hosted by Meetings Mean Business Canada.

Global Meetings Industry Day recognizes the economic advantages of meetings, trade shows, exhibitions, and conferences to people and businesses and the many social benefits these opportunities provide to communities.

The meetings sector is vital to Charlottetown and Prince Edward Island's economy and culture. More than just providing jobs and generating business, meetings of all kinds serve to introduce the world to Charlottetown, the beating heart of Prince Edward Island.

We pride ourselves in providing extraordinary experiences and work diligently to strengthen our relationship with international organizations that make these mutually beneficial meeting events a reality.

We offer our sincere congratulations to all participants and organizers, and we thank you all for your contributions to Global Meetings Industry Day. We hope you make the most of this opportunity to network, share your expertise, and devise innovative solutions for the meetings of the future.

Please accept my best wishes for the events throughout the day.

Sincerely,

Philip Brown
