A MESSAGE FROM PREMIER DOUG FORD

I want to extend warm greetings to everyone celebrating Global Meetings Industry Day and thank Meetings Mean Business Canada for hosting today's celebration.

I know this has been a challenging year for everyone, but the meetings industry is a vital pillar of our economy and will play an important role in our recovery — creating the environment that allows leaders and organizations to exchange ideas, explore opportunities and build partnerships. That will be a key to our recovery.

I want to thank all the meetings and event professionals in Ontario and across Canada for all the work you continue to do innovate, create opportunities and help Canadians stay engaged and connected during these extraordinary times.

You're all absolute champions.

While many challenges still lie ahead, with vaccines being distributed in every corner of the province, we are seeing the light at the end of the tunnel get brighter.

I am confident that we will come back, better and stronger than ever before.

Best wishes for a great celebration.
